Resolution No. 16. - The move<sup>re</sup> does not  
directly propose that the grants from the annual  
income of the General Muzrai Fund should be sub-  
jected to the vote of the Legislative Council.  
All that this resolution states is that, in the  
utilisation of the annual income of this Fund  
is made known to the members of the Represen-  
tative Assembly and the Legislative Council, they

will be placed in a better position to see whether State grants subject to their voting can be passed or not. I think we may agree to publish the annual budgets of the General Luzrai Fund in the Gazette.

Resolution No. 17.— The exact object of this resolution is not clear. Whether it is proposed to do away with the Committee of Management and in what matters the personal intervention of the Deputy Commissioner is necessary, are points which should be made clear by the mover. After all, it is the Government officer at the place who can be expected to effectively help in the management of the institution by drawing moneys whenever required and seeing that the moneys supplied are spent for authorised purposes. Even if the Deputy Commissioner is made responsible for the management, he will have to employ the local agency of the Amildar. The term of the present Committee will expire in May next and if the mover makes any practical suggestions, we might keep them in view in reconstituting the Committee in May next. A copy of the Government order constituting the present Committee may be placed in the file.

GENERAL AND REVENUE DEPARTMENTS.

READ—

15241  
Note No. R C. 1283, dated 20th March 1919, from the Muzrai Superintendent Mysore, submitting for sanction, proposals for the revision of the scale of income and expenditure in the Gumbuz, Masjid-i-ala and other minor Masjids at Seringapatam, with his Memorandum thereon, and stating that the proposals which were drawn up after personal inspection and enquiry and in consultation with the local officers and leading persons interested in the institutions have been concurred in by the Deputy Commissioner, Mysore District, who was also consulted in the matter.

(2) Letter No. 98 of 1918-19, dated 26th March 1919, from the Deputy Commissioner, Mysore District, suggesting certain changes in the numbers of recipients and of payment in the three classes of stipendiaries in the Gumbuz Langarkhana.

MEMORANDUM.

26-8-19  
14-9-19  
Proposal for fixing the scale of the Gumbuz, Masjid-i-ala and minor Masjids at Seringapatam.

The aggregate income which at present works up to Rs. 14,370 includes an item of Rs. 700 being the interest earnings from investment and Rs. 600 from the garden. The former will be considerably diminished when the thorough repairs of all the buildings taken up for which a rough estimate of Rs. 25,000 has already been prepared. The income is fluctuating from year to year and cannot wholly be depended upon. We have safely put the total income at Rs. 13,730.

2. Owing to rise in prices considerable addition has to be made in recurring charges for the celebration of Urus and Ramzan and a substantial provision for annual maintenance for the buildings, and garden has also to be made if the premises which are frequently visited by distinguished people are to be kept in good condition.

3. The minimum requirements of the institution require an annual expenditure of Rs. 12,810, leaving a surplus of Rs. 920 which just leaves a margin of safety to unexpected calls for capital expenditure for repairs and restoration.

4 The sum of Rs. 143-8-0 a month from the Gumbuz Funds which is being set apart upon two educational institutions and scholarship as shown in the margin has been left out as the Government have since been pleased to forego the contribution in view of the necessity for the improvement of services in the institutions (vide Government Proceedings No. 1509-12—M. F. 71-1 dated 13th December 1918).

As vacancies occur in the posts of Muthavallis of these minor masjids they should not be filled up. One superior man with suitable remuneration ought to be able to manage the four institutions satisfactorily. As in the case of the Masjid-i-ala, it may be fixed at Rs 15 and the amounts thus saved utilized for other purposes connected with the Masjids.
